Ugly Sweater 1.0

Charlie Killam

The first annual Christmas Party was a smash hit! Bruce Allen [Rensselaer Polytechnic Institute, Delta Psi, 1965] and wife Molly hosted a holly, jolly group of Sigma Chis and their Sweethearts. Chris Nevins [Embry Riddle, Eta Iota, 1996] and wife Theresa made incredibly yummy lasagne and sides of salad, bread, and dessert rounded out the meal.

The events of the evening were the highlights. A very competitive White Elephant / Secret Santa made for laughs and surprises all around. This was followed by MC Charlie Killam [Central Florida, Eta Pi, 1986] introducing six Ugly Sweater Competitors. The heated competition was held in a multi-round event allowing the audience of brothers and sweethearts to vote multiple times. All who attended voted for their favorite [least favorite] [ugly] sweater of 2016. In the end, the ugliest sweater was worn by Nick Grafton [New Hampshire, Lambda Sigma, 2015] who fashionably wore nothing under the sweater thus confusing the judges in the audience as to where the sweater ended and skin started.

Election Results are in ... no hanging chads

Brian Gagne

At this meeting elections were held for the new year. Chris Nevins was elected President, Tyler Gullbrand was elected Vice President, Nelson Cross was elected Treasurer and Brian Gagne [New Hampshire, Lambda Sigma, 2015] was elected Secretary.

Among the topics discussed much of it was related to planning of the new year. Chris announced that we will be having meetings now in new locations to try to get different brothers involved and he brought up the survey link he created to get everyone's input on events and preferences. It contained questions such as preferred meeting location and times, types of brotherhood and philanthropy events everyone wanted to see, in and about setting up a mentoring structure with the Lambda Sigma Chapter at UNH.

Grand Chapter is coming and it will only be a couple of hours drive. The New Hampshire Sigma Chi Alumni Chapter has plans to make a big splash in Providence, Rhode Island this coming June. Although official announcements have not been published by the General Fraternity, we are not letting this stop us. The chapter plans to

What is Grand Chapter?

Grand Chapter is the supreme legislative body of the Fraternity and convenes every two years. It is composed of one delegate from each undergraduate and alumni chapter, the Grand Consul and the past Grand Consuls. The Grand Chapter has the power to alter or amend the Constitution, Statutes, and Executive Committee Regulations, and to enact, subject to the Governing Laws, any legislation to promote the general welfare of the Fraternity.

Who should attend Grand Chapter?

All Sigma Chis and their families are invited to attend Grand Chapter. However, only one certified delegate from each undergraduate and alumni chapter is eligible to vote. Remember, undergraduate chapters have paid the registration costs for one delegate through their annual fees. Therefore, each undergraduate chapter should send one voting delegate.

Besides doing us in Providence, might you also support the chapter monetarily with a donation to defray some of the costs? If so, pay whatever amount you can at www.nhsigs.org via PayPal.

Here are our plans thus far.

- ◆ A Suite sponsored by the chapter and meet other alumni chapter officers and bring home lessons learned
- ◆ Attend as a delegate and participate in the International Fraternity's business
